Get Ready To Flutter This Festive Season.

by MGH frontlinef

Exciting news... Tips & Toes has just introduced a fab new treatment just in time for the party season – LVL Lashes. Perfect for the festivities, you no longer need lash extensions to get an enviable full flutter, as this new fuss-free service gives your natural lashes a boost with extra length, volume & lift.

Tips & Toes is upping the ante this Christmas with the hottest beauty trend on the block; LVL Lashes. The perfect treatment for ladies who love the idea of thick, fluttering lashes without the effort of extensions that will have everyone wondering...what's her secret?

Standing for Length, Volume & Lift, LVL is the latest treatment trend that will give your lashes some serious oomph, by lifting at the root to create the effect of a longer, thicker flutter. The treatment involves a 'Lifting Balm' that is gently applied followed by a tint and moisturising serum to lock in moisture and instantly nourish. Close your eyes and drift off into lash-heaven whilst our talented technicians go to work, you can rest easy knowing that you are one step closer to gorgeous natural lashes.

With absolutely no maintenance, this fuss-free treatment gives you the perfect party look that can last up to two months. Kiss mascara goodbye and have your no-makeup days looking better than ever. LVL Lashes are available across all branches for an introductory price of AED270 throughout December, usual price AED300.
