Be dangerously beautiful with Nouveau Lashes & Beauty's aftercare products to use at home to ensure all eyes are on you

The ultimate lash brand, Nouveau Lashes & Beauty may be best known for their in-salon wonder treatments including the ever popular LVL lash lengthening treatment and bespoke SVS lash extensions. Their aftercare collection, however is just as important and defines true quality. The range gives everyone everything they need to ensure their eyes remain their ultimate power. Whether you are a fan of lash extensions or prefer your lashes au naturale, join their #lashgang today and unleash the power of your eyes from the salon or the comfort of your home.

Enhance Mascara – AED 145

A brand new hero product from Nouveau Lashes & Beauty, this mascara has been specifically designed to give glamorous volume to individual lash extensions, without affecting the adhesive bond. The unique formulation helps support natural lash growth, whilst nourishing and strengthening properties promote healthy lashes. The mascara can also be worn on natural lashes and can be removed simply with warm water with no make-up remover needed. The hypoallergenic formulation is gentle on the most sensitive eyes.

Lash & Brow Conditioning Serum – AED 250

This cruelty-free, vegan friendly Conditioning Serum contains a complex blend of multi-vitamins and conditioning actives and is the ultimate conditioner for both lashes and brows. A daily use product, the serum is packed full of nourishing goodness and provides the lashes with all they need to stay instantly conditioned and offers long term benefits to help give a fuller appearance. Powerful anti-oxidants help to protect lashes and brows from everyday environmental pollutants and used underneath mascara, the serum also acts as a primer. The hypoallergenic formula is gentle on the most sensitive eyes and can be used on both natural lashes and extensions. It is the perfect aftercare item for LVL and SVS lash treatments.

Lash & Lid Foaming Cleanser – AED 240

This gentle vegan-friendly foaming cleanser is designed to encourage effective lash and eyelid hygiene by removing potential irritants, whilst thoroughly cleansing and conditioning the eye area. The hypoallergenic formulation is gentle on the most sensitive eyes and it also contains key anti-ageing ingredients that provide intense hydration and moisturisation to allow the skin to better defend itself against environmental aggressors and other ageing effects. The cleanser can also be used on both lash extensions and natural lashes. If you wear strip lashes, this cleanser is perfect way to clean them in order to re-wear them again, it removes all traces of strip lash adhesive on the eyelids and it can even be used to clean your make up brushes making it a perfect multi-tasker!

Eye Make-Up Remover – AED 160

This new vegan-friendly micellar gel Eye Make-Up Remover is designed to gently, yet thoroughly remove even the most stubborn make-up from around the eyes, whilst helping promote thicker, healthier lashes. The delicate eye area will be left soothed, hydrated and moisturised, as clever prebiotic ingredients also help prevent irritation. This eye make-up remover is suitable for both lash extensions and natural lashes including SVS and LVL lash treatments by Nouveau Lashes & Beauty. The hypoallergenic formulation is also gentle on even the most sensitive eyes.

Brow Palette (Light, Medium, Dark) – AED 280

Create beautiful sculpted brows with Nouveau Lashes & Beauty's Brow Palette. Available in light, medium and dark to suit all hair colours, this palette offers long-lasting colour and is smudge, sweat proof and water resistant. Both cruelty free and vegan the palette also contains a handy, dual ended brush for perfect application.

Nouveau Lashes & Beauty retail products are available exclusively at Kozma & Kozma Dubai, The Beauty Spot salon, Dubai and Abu Dhabi, and Glamour salon in Abu Dhabi.
